# Shaolin Ulysses KUNGFU MONKS IN AMERICA

Includes  
40 Minutes of  
BONUS KUNGFU FOOTAGE!

If you get a kick out of kungfu, you don't want to miss this exhilarating film tracing the journey of five kungfu monks in search of the American dream. Hailing from China's legendary Shaolin Temple, these men are not only accomplished Zen masters but famous kungfu stars with huge followings. Now they've left it all behind to forge a new future in America—Shaolin style—and bring their special brand of Martial Arts to the West. Displaying their best kungfu moves for the camera, they reveal their personal stories, ambitions and visions for a new life, as we close in on the answer to the ultimate question: will Shaolin change America, or will America change Shaolin?

- Includes 40 minutes of bonus kungfu footage!
- With the recent success of such films as *The Matrix* and *Crouching Tiger, Hidden Dragon*, kungfu is more popular than ever in the mainstream.
- PBS National Airing: October 2003—as the lead title in the “Independent Lens” series.
- Narrated by **Beau Bridges**.

“...high-flying, high-kicking action...”
